Stimulant/ Controlled Medication Prescription/Appointments: If you are prescribed a stimulant or other schedule II medication you must be seen by a provider at least once every 30 days. If you are prescribed any other schedule III-V medications (including benzodiazepines and hypnotics) you must be seen by a provider at least once every 90 days.

Paperwork Fee: Forms for Disability, FMLA and other paperwork have a processing fee of \$25.00 to \$75.00 per page of the paperwork, depending on the complexity and time required to complete the paperwork. Social Security Number: Our practice requires the clients/patients or parents/legal guardians to provide their social security number to our practice if they would like to receive services through their health insurances. If anyone wishes not to provide their social security number, then they must choose to receive our services as a self-pay client. Our practice keeps your information confidential and secure.

Minor Patients: Patients under the age of 18 must have a parent/legal guardian attend their first appointment with them. Follow-ups for medication management appointments would require a parent to be present for at least part of the appointment.
